USU’s Society of Industrial & Applied Mathematics presents

**Personal Statement Workshop**

**Monday, November 18th**
**4pm – 6pm | ANSC 220**

Get tips for how to write a successful **graduate school personal statement**, have time to work on your statement in a supportive environment, get feedback on your progress. Wherever you are in the process - close to finished, outlining, brainstorming, or not sure where to begin - come!

Students applying for internships, summer research experiences, and other opportunities requiring a personal statement are also welcome.

Snacks will be served!

**Questions?** Contact Sarah Bogen at sarah.bogen@aggiemail.usu.edu
