

*PLEASE READ CAREFULLY:*

Because you are not here locally right now, you can locate a **\*\*Proctor\*\*** at an educational facility, (it's an internet based test, so you just need a computer with internet access). You would just need to fill out the attached **Proctor Agreement** and **Placement Exam Request** and fax them to me at [435-797-1822](tel:435-797-1822) or email them to [mathteam@usu.edu](mailto:mathteam@usu.edu).

Please complete **both** of the attached forms.

**\*\*Proctor Qualifications\*\***

- Familiar with accepted practices for administering standardized tests
- Has no vested interest in the student's scores
- Is not related to the student
- Is employed by an educational institution

The cost is \$10 and is charged to your student registration fee account. Only **one** test per day. This is a Multiple Choice test and there is no time limit to finish it. No calculators permitted – except the one that appears on some questions on the test. Once you have your results (immediately following), I can then help you register.

There are two tests to choose from:

1. The EA (Elementary Algebra) test consists of 12 questions and can test you on material to place into Math 0990, Math 1010, and Stat 1040 ONLY.
2. The CLM (College Level Math) test consists of 20 questions and can test you on material to place into Math 1010 up to Calculus (including Stats).

Review Material:

To look at review material, practice tests, etc, start with these links under "MPE Study Guides" and use them like a checklist:

- [What you will see on the Elementary Algebra Accuplacer Exam](#), or
- [What you will see on the College Level Math Accuplacer Exam](#).

or visit our [MPE Review Materials](#) website.

You can also find study material [here](#).

There is a new study app for **iPhones!** Check it out [here](#).
