Department of Mathematics and Statistics
Application for Undergraduate Scholarships
http://www.math.usu.edu//index.php?program=ugr&folder=financial_aid

1. Name: _____ Date: _____
 Last or Family First Middle
2. USU Student A-number: _____ Birth date: _____
3. Other names under which your academic records might be listed:

4. Mailing address: _____
5. Email address: _____ Phone number: _____
6. Expected date of enrollment at USU (if already enrolled, indicate class rank): _____
7. Scholarship for which you are applying (check all that are appropriate):
 Neville and Annie Hunsaker Scholarship
 Joe and Carletta Elich Scholarship
 Arthur van Vliet Scholarship
 Department of Mathematics and Statistics Scholarship
8. **Have you been awarded other scholarships? Please provide a list including dollar amounts.

9. **Have you applied for other scholarships at USU? Please list them.

Please make sure that your higher education plans, as well as your background fit the scholarships you have checked above. For example, if you are applying for the Joe & Carletta Elich Scholarship and feel that the financial need criterion for that scholarship fits your situation, please document that fact.

Please include with this form a letter of application that includes a statement of qualifications, academic goals, and career objectives; high school transcripts; and SAT or ACT scores. You should personally send this and any supporting materials (except the three letters of recommendation*) to:

Scholarship Committee
Department of Mathematics & Statistics
3900 Old Main Hill
Logan, UT 84322-3900

*The three letters of recommendation should be sent directly by the authors to the address above. **The deadline for completed applications each year is March 15.**

**If you need more space to list scholarship information, please attach a second page to this application.
